MEMORANDUM FOR: Executive Assistant to DCI

SUBJECT : Progress Report on NSC 50, for Calendar Year 1952

REFERENCE : Memorandum dated 8 December 1952 to DD/P, DD/A and IAD's from ADD/I Subject: "Progress Report on NSC 50"

1. This is in regard to the above reference, a copy of which was sent to me at your request.

2. Primarily, the Office of Communications performs a support function and as such has relatively few activities which can appropriately be incorporated in a progress report to NSC. However, of possible interest and inclusion are the following items:

- a. The completion during 1952 of the CIA portion of the Washington Disaster Plan including the microwave radio net and the Alternate Signal Center.
- b. The establishment of a Telecon Room and the scheduling of overseas conferences.
- c. The initiation of Project [] in accordance with NSC 66/1. (A detailed report on this Project has been submitted separately.)
